THE *Original* POP-UP PASTRY

In 1964, we set out to create a pastry that delivers fresh-from-the-oven-taste — no oven required. The result? Our original Toast'em Pop-Ups with flavorful fillings and a tender crust, proudly made in the USA. Enjoy 'em toasty or straight from the pack! Toast'em Pop-Ups. America's original pop-up pastry.

Our Great Taste

is preferred over Pop Tarts, and offers more penny profit at a higher margin!
